Meetings 4th Wednesday

August 7, 1990

Members Local 197

At a special meeting on August 6, 1990, guidelines for using the Picket Duty Roster were amended as follows:

All members working or available for work will have two days from time of first contact for picket duty in which to serve on such picket duty. At that time if they have not served, that member will be assessed one day's pay and appear before the Executive Board to explain their reason for refusing. Vacation or sickness will be taken into consideration.

We will try to run the roster in the most fair and equal manner possible. If you have any questions, please contact the Union hall.

A handwritten signature in cursive script that reads "Jerry".

August 31, 1989

To Members of Local 197

At the August 30, 1989 regular union meeting, action was taken and passed to establish a "Picket Duty Roster" of the membership of Local Union 197 of the I.B.E.W.

A motion was made, seconded, and properly passed to the effect that the letters of the alphabet, A to Z, be drawn by lottery and all active members' names then be listed alphabetically. The motion also included the item that if any member refused picket duty when his/her name was called, that they forfeit a day's pay and also appear before the Executive Board to explain their reason for refusing.

This letter is being sent to all active members as all can become aware of this new item. Hopefully through picketing and handbilling we can keep in check the ever threatening non-union element. Maybe, by everyone helping this program work effectively, we can keep ahead of an ongoing problem that seems to be coming to our area.

The lottery was held at the afore mentioned meeting with the results as follows: (R, D, K, Y, A, L, X, W, M, F, N, T, H, Z, I, E, O, Q, P, G, C, S, V, J, U, and B.)

Again, full support is needed as the erosion of our wages, benefits, and working conditions will effect everyone sooner or later. Also, attendance of monthly meetings is becoming more important as our very livelihood becomes harder and harder to improve or even maintain.

Anyone having questions concerning the "Picket Duty Roster" please contact the union hall. Participation is expected by everyone.
